## EXPERIENCE

- **Internal Internship - Mental Health Portal**  
WideSkills - Instituto Superior Politécnico Gaya  
february 2024 - july 2024
  - I developed a website in the area of mental health, as a final course project. Its objective was to allow college students to learn about and mitigate the lack of knowledge about the importance of mental health today. It is important to highlight that this project gave rise to the opportunity to write a scientific article. The project used technologies such as HTML, CSS, JavaScript, PHP and Python.
- **Internship**  
WeCreateYou  
march 2021 - august 2021
  - I mainly worked with image editing, using Adobe Illustrator, with the aim of improving my user experience skills.
